## About SKYGEN

SKYGEN powers transformation of specialty benefits administration with technology and service solutions that reduce healthcare costs, improve access to care, increase healthcare value and elevate experiences and satisfaction for all stakeholders. SKYGEN partners with healthcare payers, delivery systems, and state regulatory agencies to administer dental and vision and other specialty benefits in both commercial and government markets. With its intelligent software-as-a-service (SaaS) automation, third-party administration (TPA), marketplace connectivity and risk management solutions, SKYGEN powers the nation's leading healthcare organizations and serves 44 million member lives across all 50 states plus the District of Columbia and Puerto Rico.
