

SKYGEN®

One solution with deployment flexibility.

Our solutions meet you where you are today – and help you transform your tomorrow.

MINIMIZE RISK.
Start with a SKYGEN TPA partnership to transition operations without a hiccup

MODERN AUTOMATION PLATFORM.
Legacy platforms' inefficient technology can cost you – and leave you open to cyberattacks.

GAIN CONTROL.
Bring operations in-house and simplify vendor management.

THE RIGHT TOOLS FOR THE JOB.
Don't try to run your specialty business on a platform that isn't designed for dental and vision.

PARTNER WITH EXPERTS.
SKYGEN's specialty benefits team helps you fine-tune operations and gives you time to build your team.

DATA INSIGHTS AT YOUR FINGERTIPS.
Legacy systems don't excel at data management. SKYGEN provides instant access to your plan performance analytics.

POSITION YOURSELF FOR GROWTH.
With built-in flexibility and scalability, our Enterprise System platform sets you up for growth in membership or new market opportunities.

INTEGRATION IS KEY.
Today, no system is an island. Robust APIs and custom integrations ensure our platform and data integrates seamlessly with your systems.

MANAGE COSTS.
Cut down on upfront technology investments by taking advantage of our cloud platform.

IT'S ALL ABOUT THE CUSTOMER.
At the end of the day, it's about your customers – from agents and employers to members and providers...our technology delivers efficient operations, lower benefit costs and better experience.
