# GOALS & INITIATIVES

Providing  
“Clinical Face”  
of SKYGEN

Representing SKYGEN  
as a company focused on  
individual and community  
health that is powered  
by unique technology

Taking a critical look  
at our authorization  
processes for possible  
efficiencies

Working to help fashion  
a comprehensive  
look at our benefits  
management approach  
and opportunities  
to enhance them
