Brought to you by **SKYGEN**

## Welcome to SKYGEN's Smile Squad!

Toothy the Toothbrush, Flossy the Floss, Dr. Molar the Dentist, and Twinkle the Tooth Fairy help kids keep their teeth healthy and bright!

Bunny loved crunchy carrots every day.  
Toothy the Toothbrush popped up and said,  
“Let’s brush after snacks!”

Squirrel munched on snacks in the morning sun.

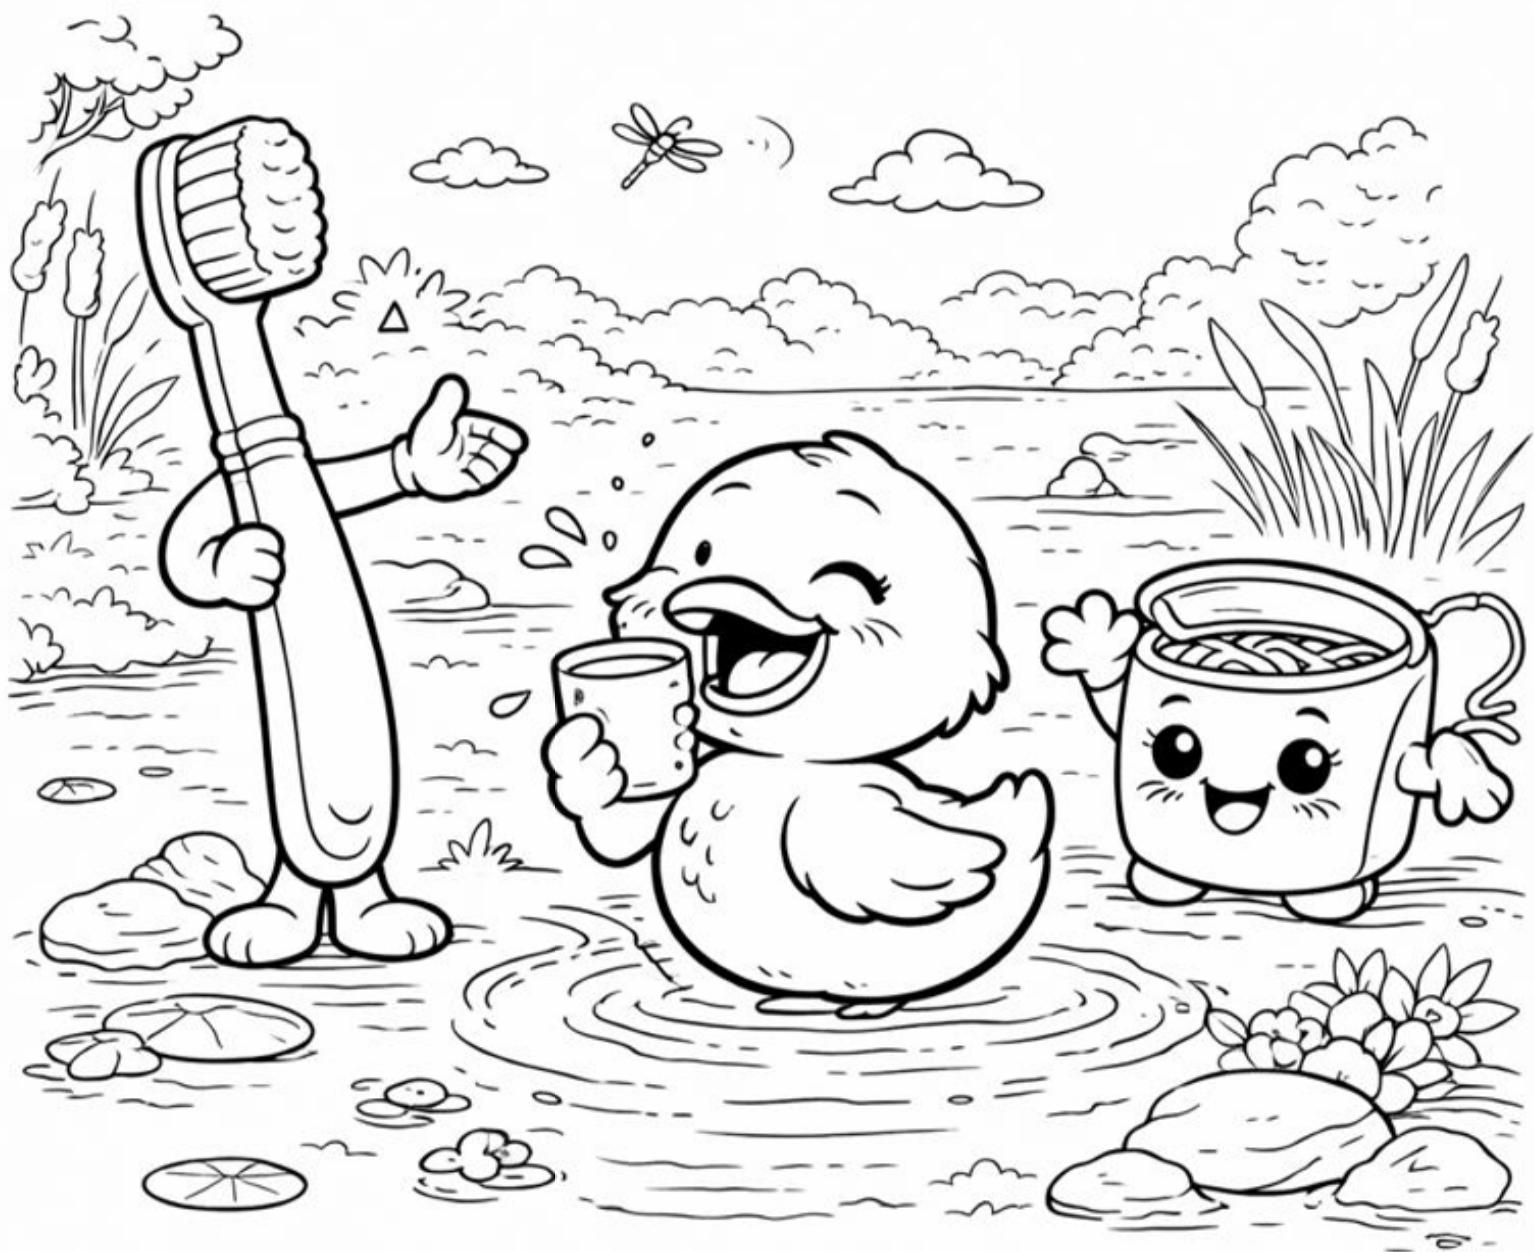

Toothy said, "Brushing keeps your teeth strong  
for chewing!"

Panda snacked on gummy bears till Flossy the Floss arrived. “Make sure to floss to reach where your brush can’t!” Flossy said.

Kitten brushed before bed. Toothy cheered, "Keep your smile bright by brushing every night!"

Duckling rinsed at the pond.

Toothy said, "Rinse well after brushing!"

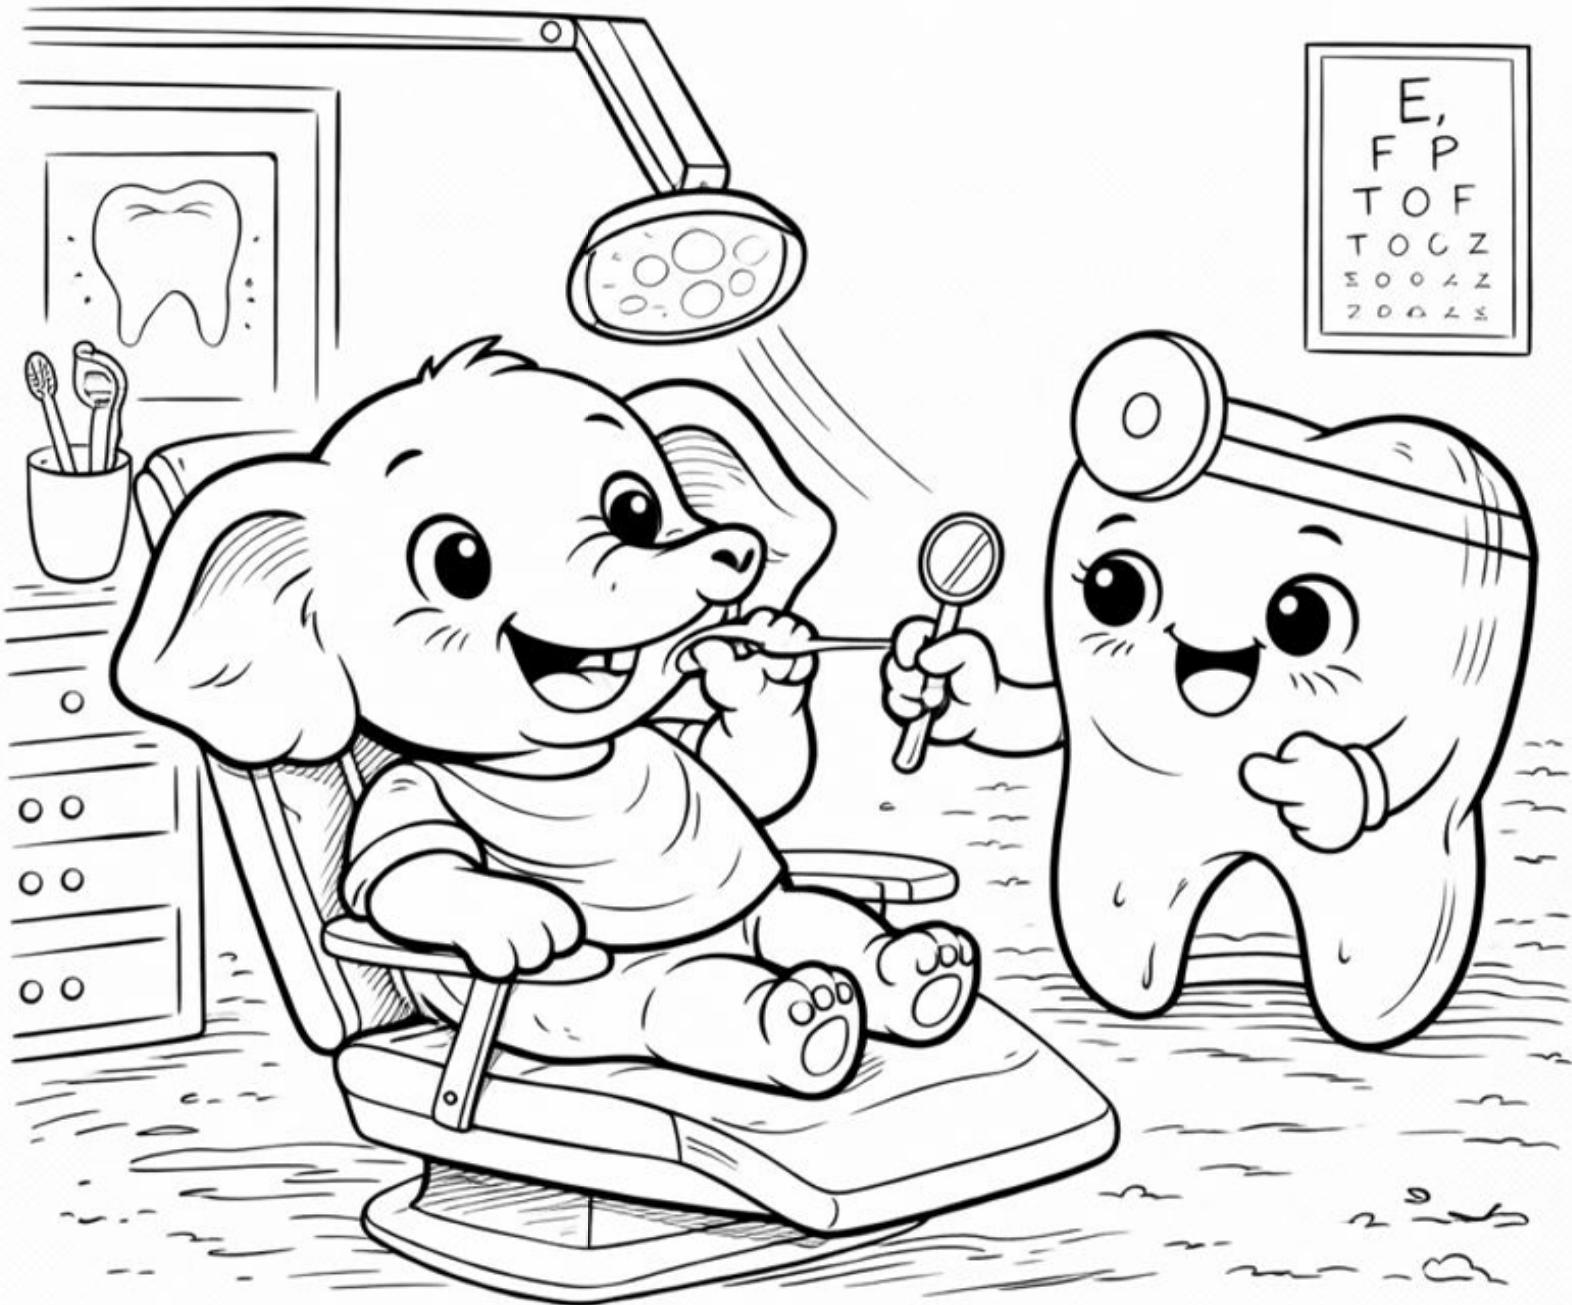

Flossy added, "You're doing great, little duckling!"

Fox reached for sweets, but the Smile Squad  
warned, "Sneaky cavities can cause pain!"  
Flossy added, "Limit sweets to protect your teeth!"

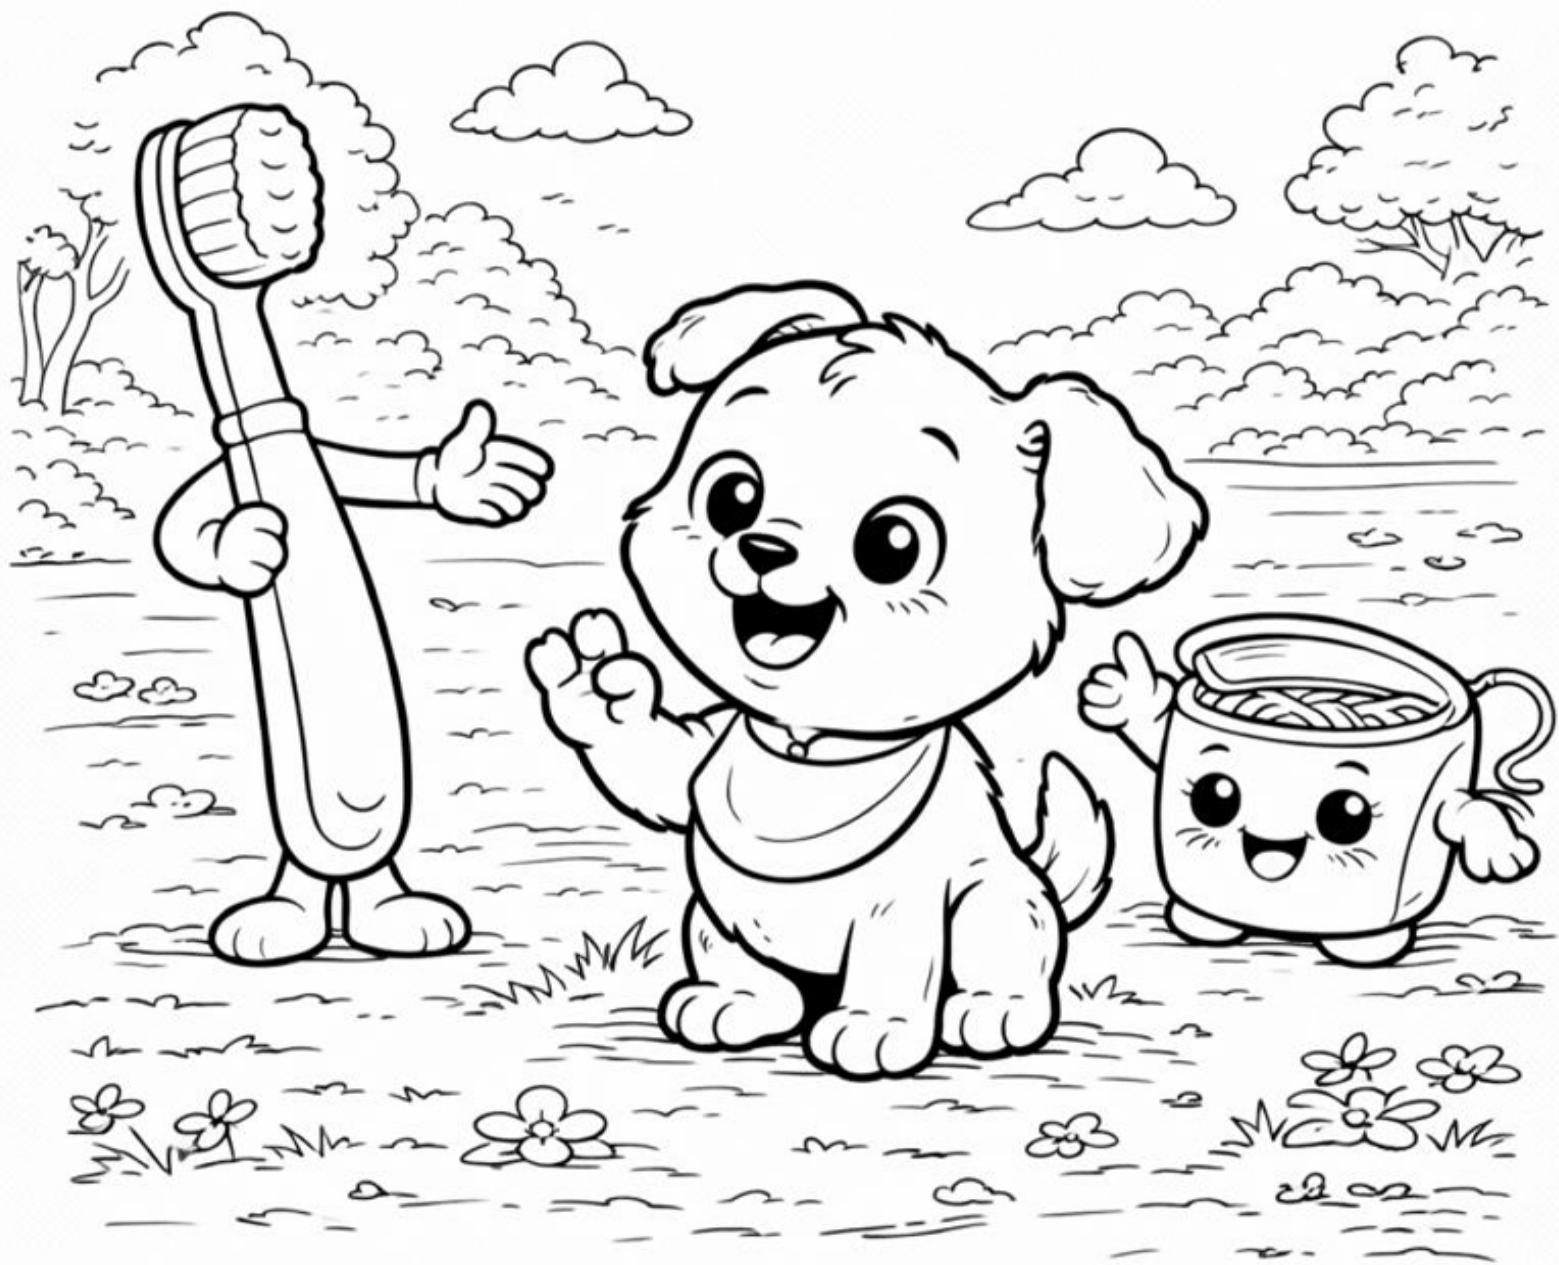

Hedgehog practiced flossing while Flossy helped.  
“Keep going back and forth, slide gently  
and repeat!” Flossy advised.

Elephant visted Dr. Molar for a checkup.

Dr. Molar said, "You're doing a great job  
keeping your teeth healthy!"

Puppy lost a wiggly tooth!  
The Smile Squad cheered, “Hooray for you!”

Twinkle the Tooth Fairy arrived, collecting  
the tooth and leaving a treat.

Puppy dreamed sweet smiles.

All the animals cheered for their healthy teeth.

They all promised to brush, floss, and  
visit the dentist regularly with the SKYGEN Smile Squad.
